

K9 HELM™

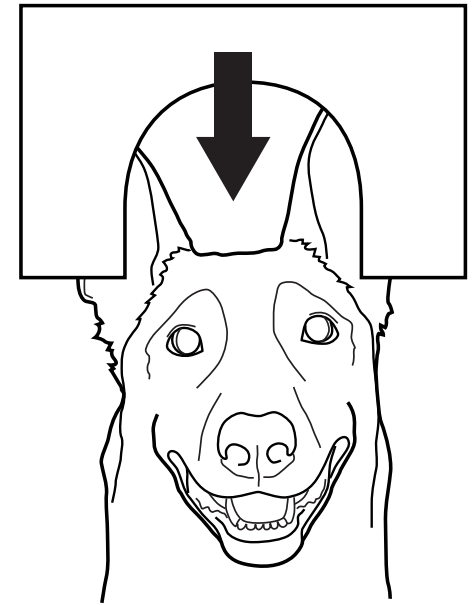

Template #
W1
Cranial Width

IMPORTANT

This measurement must be verified with a ruler after printing!
PDF must be printed at 100% with NO PAGE SCALING to fit paper size.

Cut along dotted line and use upper portion as shown in illustration above. For best results, after cutting to shape, trace onto cardboard and cut out. Be sure to write the template number on the cardboard cutout.

Place template over head, forward of the ears and to rear of eyes.
